## CAMPUS EVENTS

CAMPUS EVENTS is a weekly bulletin for all summer students - - - - - JULY 2, 1963  
Published by the Division of University Extension of the University of Toronto.

### INFORMATION PLEASE!

What's doing around campus? Is anything interesting going on in Toronto?

If you have any questions about happenings on or off the campus, the place to go for answers is THE INFORMATION CENTRE in the Map Room of Hart House. There, Mrs. Deane will be happy to answer your questions and to supply you with brochures about things to do and places to visit in Toronto. Also available are copies of the Summer Student's Handbook, in case your copy did not arrive by mail. In the Information Centre is the Student's Bulletin Board where you may post notices of rides needed, lost and found, books for sale etc.

### PAM HYATT TO ENTERTAIN ON THURSDAY NIGHT.

Pam Hyatt, of Spring Thaw fame, will be featured at the GET ACQUAINTED EVENING on Thursday night at Hart House. After 8.30 p.m., the House will be open for you to explore, in order that you may acquaint yourself with the facilities available. At 9.00, Miss Hyatt, accompanied by Gordon Kushner, will present a programme of songs and satire in the Great Hall; after which refreshments will be served in the Quad. All summer students are invited.

### HELP!

The Summer Activities programme is organized by the Division of University Extension with the advice and help of a student's committee. In order not to tax the time of the members of this committee, we would like to find several more volunteers who could help us at our Hart House Wednesday Night's. Also needed are some projectionists who would like to help us out on Wednesday nights and during day-time showings. If you have had experience running a projector, or are willing to learn, your help would be especially appreciated. Mrs. Deane would be happy to supply more details about time etc.

### FREE CONCERTS.

During the summer, The Royal Conservatory of Music sponsors a series of free concerts by top Canadian artists. On Thursday, July 4, the Canadian String Quartet will perform and on Friday, July 5, Ralph Elsaesser will present a Bach concert. All performances take place in the Concert Hall of the Edward Johnson Building at 8.30.

### STRATFORD TRIPS.

Tickets for the Tely tours to Stratford every Tuesday are available through the Information Centre: If you plan to go to Stratford, this is the most convenient way of arranging for tickets and transportation at the same time. Check the schedule in the Information Centre and make your reservations on the list posted on the Bulletin Board. Next Tuesday's performances (July 9) are "Troilus and Cressida" and "The Mikado".

### BOOKS.

The place to buy new books on campus is the University Bookstore, open daily until 5.00. Used books may be bought and sold at the Book Exchange behind 119 St. George Street, 11.00 - 2.00 daily until Friday, July 12. Library Tours to help acquaint you with the facilities available are being held by the University Library at 11.00 and 3.00 daily for the next two weeks.
